The Committee shall perform other duties and activities that it or the Board considers appropriate.

11. Executive Remuneration

- 11.1 In recommending the remuneration for Executive Directors and other members of Executive Management pursuant to section 10.1(c) of this Charter (**Executives**), the Committee is to consider the guidelines set out in Box 8.2 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations:
- (a) **Composition:** remuneration packages for Executives should include an appropriate balance of fixed remuneration and performance-based remuneration;
 - (b) **Fixed Remuneration:** should be reasonable and fair, taking into account the Company's obligations at law and labour market conditions, and should be relative to the scale of the Company's business. It should reflect core performance requirements and expectations;
 - (c) **Performance Based Remuneration:** should be clearly linked to clearly specified performance targets. These targets should be aligned to the Company's short, medium and longer-term performance objectives and should be consistent with the Company's circumstances, purpose, strategic goals and Statement of Vision, Mission and Values. Discretion should be retained where appropriate to prevent performance-based remuneration rewarding conduct that is contrary to the Company's values or risk appetite;
 - (d) **Equity Based Remuneration:** well-designed equity-based remuneration, including options or performance rights, can be an effective form of remuneration, especially when linked to hurdles that are aligned to the Company's short, medium and longer-term performance objectives. Care needs to be taken to ensure such remuneration schemes do not lead to "short-termism" or the taking of undue risks; and
 - (e) **Termination Payments:** termination payments, if any, for Executives should be agreed in advance and the agreement should clearly address what will happen in the case of early termination. There should be no payment for removal for misconduct.
- 11.2 To the extent that the Company, on advice from the Committee, adopts a different remuneration structure than is set out in section 11.1 for its Executives, the Committee shall document its reasons for the purpose of disclosure to stakeholders of the Company.

12. Non-Executive Remuneration

- 12.1 In considering the levels of remuneration for Non-Executive Directors, the Committee is to consider the guidelines set out in Box 8.2 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations:
- (a) **Composition:** Non-Executive Directors should be remunerated by way of cash fees, superannuation contributions and non-cash benefits in lieu of fees (such as salary sacrifice into superannuation or equity);
 - (b) **Fixed Remuneration:** levels of fixed remuneration for Non-Executive Directors should reflect the time commitment and responsibilities of the role;
 - (c) **Performance Based Remuneration:** Non-Executive Directors should not receive performance-based remuneration as it may lead to bias in their decision-making and compromise their objectivity;
 - (d) **Equity Based Remuneration:** it is generally acceptable for Non-Executive Directors to receive securities as part of their remuneration to align their interests with the interests of other security holders. However, Non-Executive Directors generally should not receive options with performance hurdles attached or performance rights as part of their remuneration as it may lead to bias in their decision-making and compromise their objectivity; and
 - (e) **Termination Payments:** Non-Executive Directors should not be provided with retirement benefits other than superannuation.
- 12.2 To the extent that the Company, on advice from the Committee, adopts a different remuneration structure for its Non-Executive Directors than is set out in section 12.1, the Committee shall document its reasons for the purpose of disclosure to stakeholders of the Company.
- 12.3 There are no minimum shareholding requirements for Non-Executive Directors.

13. Nomination and election of a Director

- 13.1 Where a proposed Director is put forth for election, the Committee must ensure the following information is provided to shareholders:
- (a) Biographical details
 - (b) Details of material directorships
 - (c) If the proposed Director is standing for the first time:
 - (i) Confirmation that appropriate checks have been undertaken by the Company;
 - (ii) If any information of concern has been revealed by such checks;

- (iii) Details of any potential conflicts of interest;
- (iv) Whether the Board will consider the proposed Director as independent;
and
- (d) If the proposed Director is standing for re-election, the term of office currently served by the Director and whether the Board considers the Director independent.

13.2 Where the Committee appoints a Director prior to completion of appropriate background checks, it must ensure that the Director gives an unequivocal undertaking to resign should the Company receive an outstanding check which it considers unsatisfactory.

14. Approvals

- 14.1 The Committee must approve the following prior to their implementation:
- (a) Changes to the remuneration or contract terms of members of Executive Management;
 - (b) Any Incentive Plans, Equity Plans, and amendments to such Plans;
 - (c) Total level of awards proposed under any Incentive Plan or Equity Plan; and
 - (d) Termination payments to members of Executive Management. Termination payments to other departing employees should be reported to the Committee at its next meeting.

15. Reliance on information or professional or expert advice

- 15.1 Each member of the Committee is entitled to rely on information, or professional or expert advice, to the extent permitted by law, given or prepared by:
- (a) An employee of the Company or any of its controlled entities, whom the member believes on reasonable grounds to be reliable and competent in relation to the matters concerned;
 - (b) A professional adviser or expert in relation to matters that the member believes on reasonable grounds to be within the person's professional or expert competence (noting section 16.2 below); or
 - (c) Another Director of the Company or any of its controlled entities, in relation to matters within the Director authority.

16. Access to advice

- 16.1 Members of the Committee have a right of access to management and to the books and records of the Company to enable them to discharge their duties as Committee members, except where the Board determines that such access would be adverse to the Company's interests. Such access shall be provided on a timely basis.
- 16.2 Members of the Committee may consult independent legal counsel or other advisers they consider necessary to assist them in carrying out their duties and responsibilities, subject to prior consent from the Chair. Any costs incurred as a result of the Committee consulting an independent expert will be borne by the Company.

17. Reporting to the Board

- 17.1 The Committee must report to the Board verbally at the next Board meeting following from the last Committee meeting on matters relevant to the Committee's role and responsibilities.
- 17.2 Following a Committee meeting, the Committee Chair, through the Secretary, will prepare a report of the actions of the Committee. This report will be included in the Board papers for the next Board meeting following preparation of such report.
- 17.3 Minutes of each Committee meeting will also be included in the papers for the next Board meeting following preparation of such minutes. The minutes are to be tabled at that Board meeting along with any recommendations of the Committee.
- 17.4 The Committee must brief the Board promptly on all urgent and significant matters.

18. Review

- 18.1 The Board will conduct an annual review of the Committee's performance and its membership to ensure that the Committee is carrying out its functions in an effective manner.
- 18.2 The Board will update the Charter as required or as a result of new laws or regulations, or as otherwise determined appropriate by the Board.
- 18.3 The Charter shall be posted on the Company's website.
