OreCorp Limited (**OreCorp** or the **Company**) (ASX: ORR) refers to its previous announcements in relation to the proposed transaction whereby Silvercorp Metals Inc. (**Silvercorp**) (TSX/NYSE American: SVM) will acquire all fully paid ordinary shares of OreCorp not held by Silvercorp or its associates pursuant to an Australian scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) (**Scheme**), subject to the satisfaction and/or waiver of various conditions.

The Company is pleased to announce that Silvercorp and OreCorp have amended the Scheme Implementation Deed dated 5 August 2023 (**Agreement**) to increase the cash consideration from A\$0.15 to A\$0.19, whilst retaining the scrip consideration of 0.0967 of a Silvercorp common share (or subject to ASX Quotation and CDI Election, 0.0967 of a new Silvercorp CDI) (**Revised Scheme Consideration**) for each OreCorp share held on the record date (**Revised Scheme**).

- The directors of OreCorp (**OreCorp Board**) unanimously recommend that OreCorp shareholders vote in favour of the Revised Scheme, in the absence of a Superior Proposal³ and subject to the Independent Expert concluding, and continuing to conclude, that the Revised Scheme is in the best interests of OreCorp shareholders.⁴
- The Scheme Booklet was despatched to shareholders on 8 November 2023 and the Scheme meeting is still proposed to be held at 10.00 am (AWST) on Friday, 8

Revised Scheme

The Agreement has been amended to reflect the Revised Scheme Consideration and a copy of the amended and restated Agreement is attached to this announcement. A supplementary Scheme Booklet, which will be released to the ASX and sent to shareholders as soon as practicable, will provide further details around the Revised Scheme Consideration. The Revised Scheme is proposed to follow the same timetable as set out in the Scheme Booklet despatched to shareholders earlier this month, and OreCorp shareholders’ attention is drawn to the section below entitled “Voting on the Scheme”.

Board Approval and Recommendation

The OreCorp Board has unanimously approved the Revised Scheme and recommends that all OreCorp shareholders vote in favour of the Revised Scheme at the meeting of the shareholders of OreCorp (the “**Scheme Meeting**”), proposed to be held on 8 December 2023, in the absence of a Superior Proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Revised Scheme is in the best interests of OreCorp shareholders. Subject to those same qualifications, each OreCorp Director intends to vote, or cause to be voted, all OreCorp shares held or controlled by

them (representing 3.94% of OreCorp's issued shares as at the date of this announcement) in favour of the Scheme at the Scheme Meeting.

Key Shareholder Support

Mr Timothy Goyder, who together with his associates holds 24,125,756 OreCorp shares (representing approximately 5.14% of OreCorp's issued shares as at the date of this announcement), has signed a voting intention statement indicating that he intends to vote, or cause to be voted, all of those OreCorp shares, to the extent that he continues to hold, or to control the voting of, those OreCorp shares at the time of the Scheme Meeting, in favour of the Scheme, in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Revised Scheme is in the best interests of OreCorp shareholders.⁵

Mr Goyder's support for the Revised Scheme is in addition to the existing voting intention statement provided by Rollason which controls 49,136,589 OreCorp shares (representing approximately 10.47% of OreCorp's issued shares as at the date of this announcement). Mr Goyder and Rollason have each consented to OreCorp publicly announcing their voting intentions.

Voting on the Scheme

OreCorp shareholders are encouraged to vote on the Revised Scheme either by submitting a directed proxy online or completing and returning a hardcopy proxy form. Alternatively, shareholders can attend the Scheme Meeting to be held on Friday, 8 December 2023 in person, or by proxy, attorney or corporate representative. Details of the Scheme Meeting are contained in the Scheme Booklet despatched earlier this month.

OreCorp shareholders who may have already submitted their proxy vote on the Scheme are able to revise their proxy instruction either online or by completing and returning a replacement proxy form. To be valid, proxy forms must be received by the share registry no later than 10.00am (AWST) on Wednesday, 6 December 2023. A subsequent proxy form that is received prior to this time will revoke any previously submitted proxy instruction. Valid proxy forms which have already been submitted by OreCorp shareholders remain valid unless revoked.

All registered OreCorp shareholders as at 7.00pm (AEDT) on Wednesday, 6 December 2023 will be eligible to vote on the Revised Scheme at the Scheme Meeting.

- (c) any such nomination will not relieve Silvercorp of its obligations under this deed, including the obligation to provide (or procure the provision of) the Scheme Consideration in accordance with the terms of the Scheme provided that Silvercorp will not be in breach of this deed for failing to perform an obligation of Silvercorp if that obligation is fully discharged by the Silvercorp Nominee.

2.3 Provision of Scheme Consideration

Subject to this deed and the Scheme, Silvercorp undertakes in favour of OreCorp (in its own right and on behalf of the Scheme Shareholders) to procure that, in consideration for and simultaneously with the transfer to Silvercorp of each Scheme Share held by a Scheme Shareholder under the terms of the Scheme, Silvercorp will:

- (b) provide or procure the provision of the Scheme Consideration to each Scheme Shareholder in accordance with the Scheme and the Deed Poll.

2.8 Fractional entitlements

- (a) Where the calculation of the number of New Silvercorp Shares or New Silvercorp CDIs to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a New Silvercorp Share or a New Silvercorp CDI, the fractional entitlement will be rounded up or down to the nearest whole number of New Silvercorp Shares or New Silvercorp CDIs, with any such fractional entitlement of less than 0.5 being rounded down to the nearest whole number of New Silvercorp Shares or New Silvercorp CDIs and any such fractional entitlement of 0.5 or more being rounded up to the nearest whole number of New Silvercorp Shares or New Silvercorp CDIs.
- (b) If OreCorp and Silvercorp are of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of OreCorp Shares which results in a fractional entitlement to New Silvercorp Shares or New Silvercorp CDIs) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to the rounding provided for in the calculation of each Scheme Shareholder's entitlement to the Scheme Consideration, Silvercorp may direct OreCorp to give notice to those Scheme Shareholders:

- (b) the other party must promptly provide all information and other assistance reasonably required by the party referred to in clause 3.2(a) for the purposes of procuring the satisfaction of the Condition; and
- (c) each party must not take any action that will or is likely to hinder or prevent the satisfaction of the Condition.

3.3 Information in relation to status of Conditions

Each party specified in the second column of the table in clause 3.1 opposite a Condition must:

- (a) provide to the other party on request reasonable information about the steps it has taken towards satisfaction of the Condition;
- (b) promptly after becoming aware that the Condition is satisfied, give notice to the other party that the Condition is satisfied including reasonable evidence of how it was satisfied; and

Without limiting clause 3.2, each party must:

- (a) promptly apply for or file all relevant documentation in relation to the Regulatory Conditions for which it is the party responsible;

3.5 Waiver of Conditions

Where the third column of the table in clause 3.1 opposite a Condition states “none”, that Condition may not be waived. Each other Condition is only for the benefit of, and may only be waived by:

- (a) if one party is specified in the third column of the table in clause 3.1 opposite that Condition, that party; or
- (b) if both parties are specified in the third column of the table in clause 3.1 opposite that Condition, the parties jointly.

A party entitled to waive, or to join in the waiver of, a Condition may do so in its absolute discretion.

3.6 Method of waiver

Where a Condition may be waived by one party, that party may only waive the Condition by giving notice in writing to the other party. Where a Condition may only be waived by both parties jointly, the parties may only waive the Condition by agreeing in writing to do so.

either OreCorp or Silvercorp may terminate this deed without liability to the other party because of that termination. However, neither party may terminate if the relevant occurrence or event, the failure of the Condition to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach of clauses 3.2 to 3.4 by that party, although in such circumstances the other party may still terminate this deed.

- (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 14.5), on termination of this deed, no party will have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued prior to termination.
- (d) If the Condition in clause 3.1(b) (OreCorp Shareholder approval) is not satisfied by reason only of the non-satisfaction of the Headcount Test, and it appears to either party, acting reasonably, that there are grounds on which an application could be made to the Court under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test (**Order**), that party may give notice to the other within 3 Business Days after the Scheme Meeting setting out those grounds and if such notice is given:

 - (ii) any member of the OreCorp Board changes, withdraws, modifies, revises or qualifies their recommendation in favour of the Scheme in response to or in connection with an actual Competing Proposal,

each of the following conditions must be satisfied:

- (iii) the OreCorp Board, acting in good faith, must determine that:
 - (A) the Competing Proposal is a Superior Proposal; and
 - (B) the failure to take an action specified in clause 12.5(a)(i) would likely breach the fiduciary or statutory duties of the members of the OreCorp Board;

- (iv) OreCorp has provided Silvercorp with:
 - (A) the material terms and conditions of the Competing Proposal, including the price, conditions precedent, timetable, break fee or reimbursement fee and the identity of the Third Party making the actual, proposed or potential Competing Proposal (in each case, to the extent known); and
 - (B) notwithstanding any other provision of this deed, a notification in writing of the determination under clause 12.5(a)(iii), stating the reasons for that determination;
 - (v) for at least 5 Business Days after the date of the provision of the information referred to in clause 12.5(a)(iv), Silvercorp and OreCorp have negotiated in good faith, to the extent Silvercorp wishes to negotiate and make itself reasonably available to negotiate, to enable Silvercorp to provide an equivalent or superior proposal to the terms of the Competing Proposal;
 - (vi) by (but not before) the expiry of any negotiation period under clause 12.5(a)(v) (to avoid doubt, such negotiation period to be no less than 5 Business Days after the date of the provision of the information referred to in clause 12.5(a)(iv), the OreCorp Board has received a written proposal to OreCorp from Silvercorp to improve the Scheme Consideration or otherwise alter the terms of the Transaction (**Silvercorp Counterproposal**) and, acting reasonably and in good faith, after receiving written advice from its external legal advisers and advice from its financial advisers has determined as soon as reasonably practicable (and in any event within 4 Business Days of receiving the Silvercorp Counterproposal), that the Silvercorp Counterproposal would not produce an equivalent or superior outcome for OreCorp Shareholders (when considered as a whole) as compared to the Competing Proposal, taking into account all terms and conditions and other aspects of:
 - (A) the Silvercorp Counterproposal (including the value and type of consideration, funding, any timing considerations, any conditions precedent or other matters affecting the probability of the Silvercorp Counterproposal being completed compared to the Competing Proposal or other relevant matters); and
 - (B) the Competing Proposal,and that the failure to take an action specified in clause 12.5(a)(i) and/or 12.5(a)(ii) would continue to breach the fiduciary or statutory duties of the members of the OreCorp Board; and
 - (vii) OreCorp has complied with its obligations under clause 12.5(b).
- (b) If, in accordance with clause 12.5(a)(vi), Silvercorp provides a Silvercorp Counterproposal, OreCorp must procure that the OreCorp Board considers the Silvercorp Counterproposal and determines, as soon as reasonably practicable (and in any event, within 4 Business Days of receiving the Silvercorp Counterproposal), whether, acting reasonably and in good faith, after receiving written advice from its external legal advisers and advice from its financial advisers, the Silvercorp Counterproposal would provide an equivalent or superior outcome to OreCorp Shareholders (when considered as a whole) as compared with the Competing Proposal. Following that determination, OreCorp must:

- (i) procure that the OreCorp Board promptly (and in any event within 24 hours) notifies Silvercorp of the determination in writing, stating reasons for that determination; and
- (ii) if the determination is that the Silvercorp Counterproposal would provide an equivalent or superior outcome to OreCorp Shareholders (when considered as a whole) as compared with the Competing Proposal, then:
 - (A) for a period of not less than 2 Business Days after OreCorp delivers to Silvercorp the notice referred to in clause 12.5(b)(i) above (or such other period agreed by the parties), OreCorp and Silvercorp must use their best endeavours to agree the transaction documentation required to implement the Silvercorp Counterproposal as soon as reasonably practicable; and
 - (B) OreCorp must use its best endeavours to procure that the OreCorp Board unanimously recommend that OreCorp Shareholders vote in favour of the Silvercorp Counterproposal subject to:
 - I. the Independent Expert concluding, and continuing to conclude, that the Silvercorp Counterproposal is in the best interests of OreCorp Shareholders; and
 - II. there being no further Superior Proposal.
- (c) A statement by OreCorp, the OreCorp Board or any member of the OreCorp Board to the effect that:
 - (i) the OreCorp Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 12.5; or
 - (ii) OreCorp Shareholders should take no action pending the completion of the matching right process set out in this clause 12.5,
 does not of itself:
 - (iii) constitute an adverse change, withdrawal, modification, revision or qualification of the recommendation by the members of the OreCorp Board that OreCorp Shareholders vote in favour of the Scheme or an endorsement of a Competing Proposal;
 - (iv) contravene this deed;
 - (v) give rise to an obligation to pay the Break Fee under clause 13; or
 - (vi) give rise to a termination right under clause 14.

12.6 Normal provision of information

Nothing in this clause 12 prevents a party from:

- (a) providing information required to be provided by law, any court of competent jurisdiction, any Government Agency or the rules of any Relevant Exchange; or
- (b) making presentations to, and responding to bona fide enquiries from, stockbrokers, portfolio investors and equity market analysts in relation to the Scheme or in accordance with its usual practices.

12.7 Acknowledgment

OreCorp and Silvercorp acknowledge and agree that Silvercorp has requested the inclusion of this clause 12 in this deed and would not have entered into this deed without it.

12.8 Warranty

Each Party warrants to the other that it has received legal advice in relation to the operation of this clause 12.

13. BREAK FEE

13.1 Background to Break Fee

OreCorp and Silvercorp acknowledge and agree that:

- (a) Silvercorp and its Related Entities have incurred and will continue to incur significant costs and expenses in pursuing the Transaction, including those set out in clause 13.5;
- (b) in these circumstances, the parties have agreed that provision be made for the payment outlined in clause 13.2 in this deed, without which Silvercorp would not have entered into this deed; and
- (c) the OreCorp Board has received external legal and financial advice in relation to this clause 13 and, having taken such advice, has concluded that the implementation of the Scheme will provide benefits to it and its shareholders, and that it is reasonable and appropriate for OreCorp to agree to payment of the Break Fee in the circumstances described in clause 13.2 in order to secure Silvercorp's participation in this Transaction.

13.2 Circumstances where Break Fee payable

Subject to clauses 13.3 and 13.6, OreCorp must pay the Break Fee to Silvercorp if, during the Exclusivity Period:

- (a) a Competing Proposal is announced or made and, within 12 months after the date of the announcement, a Third Party completes a Competing Proposal;
- (b) any OreCorp Director:
 - (i) fails to make the recommendation in the manner described in clause 6.1;
 - (ii) changes, withdraws, modifies, revises or qualifies their support for the Scheme or their recommendation that OreCorp Shareholders vote in favour of the Scheme in the manner described in clause 6.1(a); or
 - (iii) makes a public statement indicating that they no longer recommend the Scheme or recommend that OreCorp Shareholders accept or vote in favour of the Scheme, or otherwise publicly supports or endorses, a Competing Proposal (but excluding a statement that no action should be taken by OreCorp Shareholders pending the assessment of a Competing Proposal by the OreCorp Board or the completion of the matching right process set out in clause 12.5),

except where this is:

- (iv) after the Independent Expert's Report concludes that the Scheme is not in the best interests of OreCorp Shareholders (other than where the reason for this conclusion or amended conclusion is wholly or in part the existence of a Competing Proposal); or
- (v) in circumstances where OreCorp is entitled to terminate this deed under clause 14.1 or clause 14.2(a); or
- (c) Silvercorp validly terminates this deed under clause 14.1 or 14.2(b) where the circumstances giving rise to the right of termination arose as a result of any act or omission that could have been prevented by OreCorp.

13.3 Break fee not payable

Notwithstanding anything else in this deed:

- (a) the Break Fee is not payable if the Scheme becomes Effective; and
- (b) the Break Fee is payable only once.

13.4 Payment of Break Fee

- (a) A demand by Silvercorp to OreCorp for payment of the Break Fee under clause 13.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account into which OreCorp is to pay the Break Fee.
- (b) OreCorp must pay the Break Fee into the account nominated by Silvercorp, without withholding or set-off, within 10 Business Days after receipt of a demand for payment where Silvercorp is entitled under clause 13.2 to the Break Fee.

13.5 Basis of Break Fee

- (a) The Break Fee has been calculated to reimburse Silvercorp for costs and expenses incurred, including the following:
 - (i) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
 - (ii) costs of management and directors' time in planning and implementing the Transaction;
 - (iii) funding costs;
 - (iv) out of pocket expenses incurred by Silvercorp and Silvercorp's employees, advisers and agents in planning and implementing the Transaction;
 - (v) reasonable opportunity costs incurred in pursuing the Transaction or in not pursuing alternative acquisitions or strategic initiatives; and

- (vi) reputational damage associated with a failed transaction and the implications of that damage to Silvercorp's business.
- (b) The parties acknowledge and agree that:
 - (i) the costs and expenses actually incurred by Silvercorp and its Related Entities are of such nature that they cannot accurately be ascertained; and
 - (ii) a genuine and reasonable pre-estimate of the costs and expenses that have been or will be actually incurred by Silvercorp and its Related Entities in pursuing the Transaction would equal or exceed the Break Fee.
- (c) Each of Silvercorp and OreCorp represents and warrants to the other party that it has received legal advice from its external legal advisers in relation to the operation of this clause 13.

13.6 Amendments to Break Fee arrangements

If any of the following occurs:

- (a) ASIC indicates to either party in writing that it requires any modification to the amount of the Break Fee or the circumstances in which it is to be paid (the **Break Fee Arrangements**) as a condition of not opposing the Scheme;
- (b) the Court requires any modification to the Break Fee Arrangements as a condition of making orders convening the Scheme Meeting; or
- (c) as a result of an application to the Takeovers Panel by a party other than OreCorp or its Representatives, the Takeovers Panel indicates to either party in writing that, in the absence of a written undertaking pursuant to section 201A of the *Australian Securities and Investments Commission Act 2001* (Cth) to modify the Break Fee Arrangements, it will make a declaration of unacceptable circumstances,

then the parties must amend this clause 13 to the extent required to give effect to the requirements of ASIC, the Court or the Takeovers Panel, as the case may be, and in the circumstances referred to in clause 13.6(c) must give the required undertakings.

13.7 Sole and exclusive remedy

Silvercorp acknowledges and agrees that payment of the Break Fee is the sole and exclusive remedy available to Silvercorp in connection with any event or occurrence referred to in clause 13.2 and OreCorp is not liable for any for any loss or damage arising in connection with any such event or occurrence other than for any liability that it may have to pay Silvercorp the Break Fee under this clause 13.

Unless otherwise expressly stated (or as otherwise agreed in the case of a given payment), each payment to be made under this deed must be made in A\$ by transfer of the relevant amount into the relevant account on or before the date on which the payment is due and in immediately available funds. The relevant account for a given payment is the account that the party due to receive the payment specifies, not less than 3 Business Days before the date on which payment is due, by giving notice to the party due to make the payment.

17.2 Default interest

If a party defaults in making any payment when due of any sum payable under this deed, it must pay interest on that sum from (and including) the date on which payment is due until (but excluding) the date of actual payment (after as well as before judgment) at an annual rate of 2% above the Reference Rate on that sum, which interest accrues from day to day and must be compounded monthly.

is the subject of that deduction or withholding is payable, pay to the payee of that sum such additional amount as is required to ensure that the net amount received by the payee will equal the full amount which it would have received had no such deduction or withholding been required to be made.

18. GST

18.1 Interpretation

Words and expressions that are defined in the GST Law have the same meaning when used in this clause 18. For the purposes of this clause 18, references to GST payable and input tax credit entitlements of any entity include GST payable by, and the input tax credit entitlements of, the representative member of the GST group of which the entity is a member.

- (b) Subject to the prior receipt of a tax invoice under clause 18.4, the recipient must pay the Additional Amount without set-off, demand or deduction, at the same time and in the same manner as any GST Exclusive Consideration for that supply is required to be paid.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

18.4 Tax invoice

For any supply to which clause 18.3 applies, the Supplier must issue a tax invoice which complies with the GST Law.

18.5 Adjustment events

If any adjustment event occurs in respect of a supply to which clause 18.3 applies:

- (a) the Additional Amount paid or payable by the recipient must be recalculated, taking into account any previous adjustments under this clause 18.5, to reflect the occurrence of that adjustment event and the Supplier or the recipient, as the case requires, must pay to the other the amount required to reflect the recalculation of the Additional Amount; and
- (b) the Supplier must provide an adjustment note to the recipient within 14 Business Days of the Supplier becoming aware of the occurrence of that adjustment event.

18.6 Input tax credits

Notwithstanding any other provision of this deed, if an amount payable under or in connection with this deed is calculated by reference to any loss, damage, cost, expense, charges or other liability incurred or suffered by a party, then the amount payable must be reduced by the amount of any input tax credit to which that entity is entitled in respect of the acquisition of any supply to which the loss,

damage, cost, expense, charge or other liability relates. If the reduced payment is consideration for a taxable supply, clause 18.3 will apply to the reduced payment.

- (b) except as otherwise expressly provided by this deed, are cumulative and not exclusive of rights and remedies provided by law; and

- (d) Subject to clause 6.2(e), a CDI Election made by a Scheme Shareholder under this clause 6.2 will be deemed to apply in respect of the Scheme Shareholder's entire registered holding of Scheme Shares at the Record Date, regardless of whether the Scheme Shareholder's holding of Scheme Shares at the Record Date is greater or less than the Scheme Shareholder's holding at the time of the CDI Election.
- (e) A Scheme Shareholder who is noted on the Register as holding one or more parcels of OreCorp Shares as trustee or nominee for, or otherwise on account of, another person, may make separate elections under this clause 6.2 in relation to each of those parcels of OreCorp Shares (each a **Nominee Parcel**) (subject to it providing OreCorp and Silvercorp with any

substantiating information they reasonably require), and a CDI Election made by a Scheme Shareholder in respect of a Nominee Parcel, or an omission to make a CDI Election in respect of a Nominee Parcel, will not be taken to extend to any other Nominee Parcel held by that Scheme Shareholder.

- (f) OreCorp may, with the agreement of Silvercorp, settle as it thinks fit any difficulty, matter of interpretation or dispute which may arise in connection with determining the validity of any CDI Election, and any such decision will be conclusive and binding on OreCorp, Silvercorp and the relevant Scheme Shareholder.

- (b) If OreCorp and Silvercorp are of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of OreCorp Shares which results in a fractional entitlement to New Silvercorp Shares or New Silvercorp CDIs) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to the rounding provided for in the calculation of each Scheme Shareholder's entitlement to the Scheme Consideration, Silvercorp may direct OreCorp to give notice to those Scheme Shareholders:
 - (i) setting out the names and registered addresses as set out in the Register;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the OreCorp Shares held by them,

and, after the notice has been given, the Scheme Shareholder specifically identified in the notice shall, for the purposes of the Scheme, be taken to hold all those OreCorp Shares and

each of the other Scheme Shareholders whose names are set out in the notice shall, for the purposes of the Scheme, be taken to hold no OreCorp Shares. Silvercorp, in complying with the provisions of the Scheme relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme.

6.5 Ineligible Foreign Shareholders and Unmarketable Parcel Shareholders

- (a) Where a Scheme Shareholder is an Ineligible Shareholder, each Ineligible Shareholder authorises Silvercorp to:

 - (ii) procure that as soon as reasonably practicable after the Implementation Date (and in any event within 20 days on which the Silvercorp Shares are capable of being traded on TSX), the Sale Agent sells on the TSX the New Silvercorp Shares issued to it in such manner, at such price and on such other terms as the Sale Agent determines in good faith;
 - (iii) procure that the Sale Agent, as soon as reasonably practicable after settlement (and in any event within 10 Business Days) remits the Sale Proceeds to Silvercorp; and
 - (iv) promptly after all of the Sale Proceeds have been remitted to Silvercorp by the Sale Agent in accordance with clause 6.5(a)(iii) (following the last sale of such New Silvercorp Shares), pay each Ineligible Shareholder an amount in Australian dollars equal to the proportion of the Sale Proceeds received by Silvercorp pursuant to clause 6.5(a)(iii) to which that Ineligible Shareholder is entitled to receive in full satisfaction of their entitlement to receive Scrip Consideration.
- (b) Each Ineligible Shareholder appoints OreCorp as its agent to receive, on its behalf, any financial services guide or other notice (and any updates to such documents) that the Sale Agent is required to provide to Ineligible Shareholders under the Corporations Act.

- (b) payments of dividends on OreCorp Shares; and
- (c) notices or other communications from OreCorp (including by email),

as at the Record Date will, except to the extent determined otherwise by Silvercorp in its sole discretion, be deemed to be an instruction, notification or election (as applicable) that is binding on, and accepted by, Silvercorp in respect of the New Silvercorp Shares or New Silvercorp CDIs (as the case may be) issued to the Scheme Shareholder as Scheme Consideration until such time as that instruction, notification or election is revoked or amended in writing addressed to Silvercorp and provided that, any such instruction, notification or election accepted by Silvercorp will only apply to the New Silvercorp Shares and New Silvercorp CDIs to the extent that they are:

- (d) not inconsistent with any other provision of the Scheme; and
- (e) recognised under Canadian law or the Silvercorp Articles.

7. DEALINGS IN ORECORP SHARES

7.1 Recognition of dealings

- (a) To establish the identity of the Scheme Shareholders, dealings in OreCorp Shares or other alterations to the Register will only be recognised by OreCorp if:
 - (i) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the Register as the holder of the relevant OreCorp Shares on or before the Record Date; and
 - (ii) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Register is kept.

- (b) OreCorp will not accept for registration, or recognise for any purpose, any transmission application, transfer or other request in respect of OreCorp Shares received:
 - (i) after the Record Date; or
 - (ii) prior to the Record Date but not in registrable or actionable form,

other than a transfer of OreCorp Shares to Silvercorp pursuant to the Scheme or any subsequent transfer by Silvercorp to its successors in title.

7.3 Maintenance of Register

- (a) For the purpose of determining entitlements to the Scheme Consideration, OreCorp must maintain the Register in accordance with the provisions of this clause 7.3(a) until the Scheme Consideration has been issued or paid (as the case may be) to all Scheme Shareholders and Silvercorp has been entered into the Register as the holder of all the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.
- (b) As soon as possible on or after the Record Date, and in any event by 5.00pm on the third Business Day after the Record Date, OreCorp must make available to Silvercorp in the form Silvercorp reasonably requires details of the names, registered addresses and holdings of Scheme Shares for each Scheme Shareholder as shown in the Register on the Record Date.

7.4 Holding statements and Register entries

- (a) Subject to the provision of the Scheme Consideration and registration of the transfer of Scheme Shares to Silvercorp, as contemplated in clauses 5.2 and 7.3 of the Scheme, with effect from the Record Date all statements of holding for Scheme Shares will cease to have effect as documents of title in respect of those shares (other than statements of holding in favour of Silvercorp or its successors in title).
- (b) Following the Record Date, each entry on the Register current at that date (other than entries in respect of Silvercorp or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

Nyanzaga Highlights

OreCorp holds an 84% interest in the Nyanzaga Gold Project located in the Mwanza region, Tanzania, in partnership with the Government of Tanzania. Key permits are in place to develop Nyanzaga for first gold in H2 2025. A definitive feasibility study, announced in August 2022, estimated that Nyanzaga could deliver 2.5 million ounces of gold over a 10.7 year life.⁴ As reported in OreCorp's June 2023 Quarterly Activities Report released on July 21, 2023, Nyanzaga's post-tax net present value at a 5% discount rate is US\$905 million and the internal rate of return is 32%, using a recent spot gold price of US\$2,000/oz.⁵

Nyanzaga is located approximately 40 km north east of the Bulyanhulu mine, one of Barrick Gold Corporation's two gold mines in the Lake Victoria Goldfields, which together with the North Mara mine produced approximately 547,000 ounces of gold in 2022.⁶ The Geita Gold Mine, one of AngloGold Ashanti Limited's flagship mines, located 80 km west of Nyanzaga, produced 521,000 ounces of gold in 2022.⁷

Silvercorp Chairman and CEO, Dr. Rui Feng, said:

"This transaction will create a new globally diversified precious metals producer. We believe this is a rare opportunity to leverage our technical expertise and strong balance sheet to unlock value for all shareholders by bringing Nyanzaga into commercial production by H2 2025. Under the leadership of Her Excellency, President Samia Suluhu Hassan, Tanzania is becoming an attractive place for foreign investment. We look forward to partnering with the Government of Tanzania and leveraging OreCorp's existing team and relationships to ensure a successful development that benefits all stakeholders."

⁴ Cautionary Statement - based on a gold price of US\$1,750/oz. Refer OreCorp ASX announcement dated 22 August 2022 ("*Nyanzaga DFS Delivers Robust Results*"). The production target referred to in the DFS and this announcement comprises 92% Probable Ore Reserves and 8% Inferred Mineral Resources. There is a low level of geological confidence associated with Inferred Mineral Resources, and there is no certainty that further exploration work will result in the determination of Indicated Mineral Resources or that the production target itself will be realised.

⁶ Barrick Gold Corporation (2022) Annual Report 2022.

⁷ AngloGold Ashanti Limited (2022) Mineral Resource and Mineral Reserve Report as at 31 December 2022.

OreCorp Managing Director and CEO, Henk Diederichs, said:

“This transaction provides our shareholders with an immediate and significant upfront premium and exposure to a geographically diverse mid-tier precious metals company. With a strong operating history, solid balance sheet and significant mine building and operational experience, Silvercorp’s management team is well-positioned to fund and advance Nyanzaga into commercial production.”

Honorable Minister of Minerals, Dr. Doto Mashaka Biteko, said:

“The Tanzanian Government is supportive of the proposed partnership between OreCorp and Silvercorp and looks forward to working together to develop Nyanzaga as a robust project delivering beneficial outcomes to the people of Tanzania and other stakeholders.”

Benefits for OreCorp Shareholders

- Total implied consideration of A\$0.60 per OreCorp Share (being A\$0.15 in cash and 0.0967 of a Silvercorp common share valued at A\$0.45),⁸ representing:
 - a 41.7% premium to the 20-day volume weighted average price (“VWAP”) of OreCorp’s shares on the ASX for the period ending August 4, 2023;⁹ and
 - a 31.5% premium to OreCorp’s closing share price of A\$0.435 on the ASX on August 4, 2023.¹⁰
- Share consideration provides enhanced trading liquidity, re-rating potential and opportunity to participate in further upside from Nyanzaga and Silvercorp’s existing portfolio;
- Significantly reduces development and operational risk at Nyanzaga by leveraging Silvercorp’s technical expertise and ESG track record;
- Strong pro forma balance sheet removes immediate funding uncertainty and mitigates risk of significant dilution; and
- Enhanced capital markets profile with a pro forma market cap of US\$630 million¹¹ and listings on the TSX, NYSE and, subject to successful admission and quotation, the ASX.

Benefits for Silvercorp Shareholders

- Accretive transaction on a net asset value basis;

⁸ Based on the 20-day volume weighted average price of Silvercorp’s common shares on the NYSE American for the period ending August 3, 2023, converted to Australian dollars using a U.S. dollar to Australian dollar foreign exchange rate of 1.526.

¹¹ The pro forma financial information is for illustrative purposes only and is not intended to represent the future financial position of the combined entity.

- Meaningfully grows Silvercorp’s mineral reserves and resources profile.

Transaction Summary

Under the terms of the Agreement, Silvercorp or a wholly owned subsidiary will, subject to the satisfaction of various conditions, acquire the OreCorp Shares by means of a court-sanctioned scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth), whereby each holder of OreCorp Shares will receive, for each OreCorp Share held, A\$0.15 in cash and 0.0967 of a Silvercorp common share valued at A\$0.45 for a total implied consideration of A\$0.60 per OreCorp Share.¹²

The implied consideration of A\$0.60 per OreCorp share represents a 41.7% premium to the 20-day VWAP of OreCorp’s shares on the ASX for the period ending August 4, 2023 and values OreCorp at approximately A\$242 million on a fully-diluted-in-the-money basis. Existing OreCorp shareholders will own 17.8% of Silvercorp’s common shares outstanding on a fully-diluted in-the-money basis following implementation of the Scheme.

Concurrent with entering into the Agreement, Silvercorp and OreCorp have also entered into a placement agreement, whereby 70,411,334 new fully-paid ordinary shares of OreCorp will be issued to Silvercorp at a price of A\$0.40 per OreCorp Share for aggregate proceeds of approximately A\$28 million (the “**Placement**”). The Placement will occur in two tranches, with the first tranche (for aggregate proceeds of A\$18 million) to complete on the third business day after execution of the Agreement and the second tranche (for aggregate proceeds of approximately A\$10 million) to complete 10 business days thereafter. Upon completion of the Placement, Silvercorp will hold approximately 15% of the total outstanding ordinary shares of OreCorp. Proceeds from the Placement will be used to immediately commence resettlement activities as contemplated in the Relocation Action Plan, facilitating the prompt development of Nyanzaga.

Boards Approvals and Recommendations

The OreCorp Board has unanimously approved the transaction and recommends that all OreCorp shareholders vote in favour of the Scheme at the meeting of the shareholders of OreCorp (the “**Scheme Meeting**”), in the absence of a Superior Proposal and subject to the independent expert to be appointed by OreCorp (the “**Independent Expert**”) concluding (and continuing to conclude) that the Scheme is in the best interests of OreCorp shareholders. Subject to those same qualifications, each director of OreCorp intends to vote, or cause to be voted, all OreCorp Shares held or controlled by them (representing 4.6% of OreCorp’s issued shares as at the date of this announcement) in favour of the Scheme at the Scheme Meeting.¹³

The Silvercorp Board has also unanimously approved the transaction.

¹² Based on the 20-day volume weighted average price of Silvercorp’s common shares on the NYSE American for the period ending August 3, 2023, converted to Australian dollars using a U.S. dollar to Australian dollar foreign exchange rate of 1.526.

¹³ OreCorp Directors hold an aggregate of 18,487,960 OreCorp Shares, representing 4.6% of shares on issue as at the date of this announcement which, together with 1,864,482 Performance Rights held by OreCorp Directors, represent 5.1% on a fully diluted basis as at the date of the announcement (calculations exclude options which will be cancelled if the Scheme proceeds).

Key Shareholder Support

Rollason Pty Ltd (**Rollason**), which controls 49,136,589 OreCorp Shares (representing approximately 12.3% of the OreCorp Shares as at the date of this announcement), has provided a signed voting intention statement to OreCorp (**Voting Intention Statement**) indicating that Rollason intends to vote, or cause to be voted, all OreCorp Shares held or controlled by it or its associates at the time of the Scheme meeting in favour of the Scheme, in the absence of a Superior Proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of OreCorp shareholders. Rollason has consented to OreCorp publicly announcing its voting intention.

Tanzanian Government Support

OreCorp and Silvercorp met with key Tanzanian Government stakeholders including the Treasury Registrar and the Minister of Minerals. The Government is supportive of the transaction, underpinning Her Excellency Samia Suluhu Hassan's mantra that Tanzania is open for international investment. Transaction Structure and Certain Terms of the Agreement

The Scheme is subject to customary closing conditions for a transaction of this nature, including:

- OreCorp shareholders approving the Scheme at the Scheme Meeting;
- Approval of the Federal Court of Australia;
- Completion of the Placement;

- The Independent Expert issuing an Independent Expert’s Report which concludes (and continues to conclude) that the Scheme is in the best interests of OreCorp shareholders;
- Tanzanian Fair Competition Commission and any other applicable approvals;
- Foreign Investment Review Board approval in Australia, if required;
- OreCorp performance rights and OreCorp options being dealt with such that none will remain in existence on completion of the Scheme;
- No material adverse change and no prescribed occurrence in relation to either Silvercorp or OreCorp;
- Approval for quotation on TSX and NYSE of the Silvercorp common shares to be issued to OreCorp shareholders as the scrip component of the consideration; and
- Other customary conditions.

Under the Agreement, Silvercorp has agreed to use reasonable endeavours to apply for admission of Silvercorp to the official list of Australian Securities Exchange (the “**ASX**”). If ASX has provided Silvercorp with conditional approval for admission to the official list of ASX by the business day before the date of the second court hearing, OreCorp shareholders (other than ineligible shareholders) may elect to receive the scrip component of the consideration in the form of CHESS Depositary Interests (which may be traded on ASX) instead of in the form of Silvercorp common shares. If conditional approval is not provided by ASX by the business day before the date of the second court hearing, all OreCorp shareholders (other than ineligible shareholders) would receive the scrip component of the consideration in the form of Silvercorp shares, tradable on the TSX and NYSE.

The Agreement also contains customary deal protection mechanisms, including no talk and no due diligence provisions, (subject to a fiduciary out exception) and no shop, as well as notification and matching rights for Silvercorp in the event of a Competing Proposal.¹⁴ The transaction may incur a capital gains tax payable under Tanzanian legislation. A break fee of approximately A\$2.8 million shall be payable by OreCorp to Silvercorp if the Agreement is terminated as a result of certain specified circumstances.

A copy of the Agreement, which sets out the terms and conditions of the Scheme and associated matters, is attached to this announcement.

Timetable and Next Steps

OreCorp shareholders do not need to take any action in relation to the Scheme at this stage.

A Scheme booklet setting out the key terms of the transaction, including the Scheme, Independent Expert’s Report, Investigating Accountant’s Report and the reasons for the recommendation of the OreCorp Board will be sent to all OreCorp shareholders in due course. The Scheme Meeting to consider the Scheme is expected to be held in November 2023 and the Scheme is expected to be implemented before the end of 2023 subject to satisfaction of all conditions and receipt of all necessary approvals. The Scheme is conditional on, among other things, approval by a majority in number of OreCorp shareholders who vote at the Scheme Meeting and at least 75% of all votes cast at the Scheme Meeting. Silvercorp is excluded from voting at the Scheme Meeting.

¹⁴ As defined in the Agreement.
